Leading Sage Timberline Office Solution Providers Join Forces

Whippany, NJ – April 1, 2009: Accordant Company, LLC, a leading Sage Solution Provider based in Whippany, NJ and Core Systems, Inc., a leading Sage Timberline Office Solution Provider based in Mt. Kisco, NY have joined forces to create a team of sales and consulting professionals to provide a complete range of technology solutions to the construction and real estate market in New Jersey, New York, Pennsylvania, Connecticut, and Delaware. The resulting organization will be one of the largest full service technology consulting firms in the Northeast, with 2,500 clients and over twenty dedicated client service professionals.

“Core Systems, Inc. is a great company,” said Bob Sandelands, Managing Partner of Accordant Company. “Core is the largest Sage Timberline Office reseller specializing in the real estate segment. Bernard Ross and his team have built a company with a tradition of excellence that will fit right in with how we do business. Bernard has been serving the real estate industry for over 25 years and brings a wealth of knowledge and experience to the Accordant real estate software practice. He will assume the role of Accordant’s Director of Real Estate Sales and will retain his office in Mt. Kisco, NY. We are confident that our combined companies will continue to be the preeminent choice for contractors and real estate firms of all types.”

Effective immediately, Core Systems, Inc. will operate under the Accordant name and will be a Sage Select Business Partner.
