**Accordant Company Selected to *Bob Scott's Insights'* 2009 VAR Stars**

**Whippany, NJ – November 20, 2009** – *Bob Scott's Insights*, a publication of the Progressive Media Group, is pleased to announce that Accordant Company, LLC has been selected as a member of the 2009 VAR Stars, a group of 100 organizations that are being honored for their accomplishments in mid-market financial software.

"This award is made to honor organizations for factors such as quality performance and leadership in their arena. It is made without regard to the volume of annual sales made by these businesses, although their ability to achieve notable growth is considered," says executive editor Bob Scott.

This is the first year that the award has been made by *Bob Scott's Insights*, a weekly electronic newsletter and companion Web site. However, Scott has been providing information, analysis and humor to value-added resellers and suppliers of mid-market accounting software since 1991 and has been involved in the awarding of previous industry honors.

Scott, who was editor of the former Accounting Technology for 12 years, is also executive editor of another Progressive Media Group publication, *The Progressive Accountant*, which is available at [www.progressiveaccountant.com](http://www.progressiveaccountant.com). Bob Scott's Insights is available at: [www.bobscottsinsights.com](http://www.bobscottsinsights.com).
