InfinityHR and Accordant Company Form Strategic Partnership

September 26, 2016 – InfinityHR, a leading provider of cloud-based human capital management solutions, today announced that it has established a value added reseller (VAR) partnership with the Accordant Company, a leading business solution in the construction, service and real estate markets.

The partnership will give Accordant Company the ability to offer a robust and easy-to-use Human Capital Management solution for their client base, including integration with Sage 300 and Sage 100 platforms.

“Accordant Company is excited to offer an HR solution that complements both Sage 300 CRE and Sage 100 Contractor. We look forward to assisting our clients with their specific human resource needs through InfinityHR,” said Bob Sandelands, Managing Partner for Accordant Company.

“We are excited to welcome the Accordant Company to our growing family of value added reseller partners,” said Mike Albrizzi, Director of Sales for InfinityHR. “Together, we share a commitment to helping companies achieve success by giving them the tools and support needed in highly competitive environments.”

About Infinity Software Solutions, Inc.

InfinityHR is the flagship product of Infinity Software Solutions, demonstrating the company’s ability to combine business know-how and technology into the best human capital management solution currently on the market.

Headquartered in Scottsdale, Arizona, Infinity Software Solutions provides the most complete and affordable web-based solution for HR process management and payroll for small and mid-size companies, insurance brokers and third-party administrators.
