

## **Accordant Company Acquires Pennsylvania Based Sage Practice of Full Circle Solutions Group**

**Morristown, NJ – February 23, 2016** – Accordant Company, a leading provider of construction & real estate solutions, today announced it has acquired the Sage practice of Full Circle Solutions Group, a firm delivering solutions to construction & real estate companies throughout Pennsylvania. The acquisition gives these Sage clients access to Accordant's award-winning Sage team, providing unmatched support for their existing Sage 100 Contractor, Sage 300 Construction & Real Estate, and Sage Estimating solutions.

Accordant Company is a Top Three North American Sage Business Partner with a successful track record of serving the construction and real estate industry since 2005. Accordant has helped over 4,000 companies improve business results by providing leading edge ERP and industry specific software solutions. Accordant's name symbolizes our mission: to build harmony between people, business and technology. When it comes to driving profitability through technology, companies choose Accordant for our deep domain and business process expertise.
