

Course Agenda

Report Designer – Beginner

Sage 300 CRE | Instructor: Deborah Lastro

Course Overview

This 2-hour class is designed to provide you with a solid foundation in report designing skills, concepts, and terminology regarding Sage 300 CRE Report Designer. We will discuss data structure, how to get the information you want on your reports, how to access custom reports and basic editing of reports. You will be supplied with step-by-step instructions for each activity, sample reports to compare results, and additional practice exercises you can do on your own to reinforce learning.
